JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

May 3d, 1853.

Mr. ORD, President, in the Chair.

Letters were read—

From H. W. Ravenel, dated Aiken, S. C., April 18, 1853, transmitting a copy of his recent work entitled "*Fungi Exsiccati Caroliniani*," announced this evening.

From the American Philosophical Society, dated April 20, 1853; from the Secretary of the Trustees of the New York State Library, dated Albany, April 4th, 1853; from the Smithsonian Institution; and from the Royal Academy of Sciences of Vienna, dated 7th Oct., 1852, severally acknowledging the receipt of the Proceedings.

From the Secretary of the Royal Imperial Geological Institution at Vienna, dated 2d Jan., 1853, transmitting the volumes of its Transactions announced this evening.

From Mr. P. W. Sheaffer, dated Pottsville, Pa., April 21, 1853, and from Prof. John C. Cresson, dated April 28, 1853, severally acknowledging the receipt of their notices of election as Members of the Academy.

Dr. Wetherill gave a verbal statement of the results of an analysis, by himself, of Fusel Oil, from Indian Corn. He had found, among its other constituents, Caprylic acid.

Immediately upon the adjournment of the above meeting, a Special Meeting of the Society was held, in pursuance of a Resolution adopted April 26, 1853.

Vice-President BRIDGES in the Chair.

The object of the meeting being to consider the expediency of erecting a new Hall, a discussion took place among the Members, which resulted in the unanimous adoption of the following resolution, offered by Dr. Rand:

Resolved. That it is inexpedient for the Academy to take any steps towards changing its location at the present time.

Also *Resolved*, That the Building Committee be requested to obtain the professional opinion of the Counsel of the Academy upon the proposed plan for the enlargement of the Hall.

May 10th.

Vice-President BRIDGES in the Chair.

Dr. Le Conte presented the following papers for publication in the Proceedings: 1, "Synopsis of the Meloides of the United States;" 2, "Synopsis of the Endomychidæ of the United States;" and 3, "Synopsis of the Atopidæ, Rhipiceridæ and Cyphonidæ of the United States," all of which were referred to the following Committee: Prof. Haldeman, Dr. Ruschenberger and Dr. Zantzingen.

Dr. Ruschenberger stated that he had received a letter from Lieut.
